DEPARTMENT OF THE INTERIOR

OFFICE OF INDIAN AFFAIRS

WASHINGTON

May 15, 1910.

To Agents and School Superintendents in charge of Indians:

You are hereby directed to forward the Annual Report as to the Indians under your charge, one copy, in time to reach the Department *not later than the first of August next*. *No letter of transmittal is needed.*

The report should be plainly written on letter-size paper, and on only one side of the sheet.

It should furnish the Office with a *concise* but clear view of affairs under your jurisdiction, and give a full but *brief* summary of all noteworthy events and changes that have occurred during the year among the Indians.

Annual reports of employees other than heads of schools should not be furnished as appendices to the report, but the substance of their salient points should be incorporated therein.

The subjects of agriculture, stock raising, allotments, education, missionary work, morality, marriage customs, courts of Indian offenses, and other courts having jurisdiction over Indians, road making and repairing, and all industries among the Indians, either on or off the reservation, will, of course, be noted.

All educational work, whether by Government or other parties, should receive special notice, and the condition and progress of *each* school should be reported, special care being taken to furnish statistics concerning schools *not* aided by Government, as the annual report is the main source of information concerning them.

Facts in compact shape are wanted; theories and generalizations may be dispensed with. In accordance with an Executive order, perfunctory eulogistical matter, or reference to the visits of officials, or thanks to this Office for its cooperation, etc., also should be omitted.

The report should begin with place and date and end with merely the signature and title of the one making the report, and the address to this Office should be omitted.

The statistics called for on reverse side of this blank should accompany the annual report, or, if forwarded separately, should come *without a letter of transmittal*. Only one copy is wanted.

Although, by direction of the Department, the reports of agents and superintendents are no longer included in the bound volume of the Annual Report of this Office, yet it is considered desirable to continue the practice of submitting such reports, as they are valuable for reference.

The reports for 1909 are being printed in separate pamphlets in Indian school printeries and the set will be furnished to each school and agency.

Please acknowledge the receipt of this circular on inclosed postal card, and state at what time you will mail your report to this Office.

R. G. VALENTINE,

Commissioner.
